National Program on Technology Enhanced Learning
(SWAYAM-NPTEL Local Chapter)

Ref. No. NPTEL/2021/ 21

Dated: 25/1/2021

Office Note

It is observed that there is overwhelming response of students toward mooc's courses and digital learning. Due to COVID-19 situation, exam of various mooc coursed got delayed and hence result too. We have received 466 applications of students for reimbursement of exam fee out of TEQIP-III funds for last semesters.

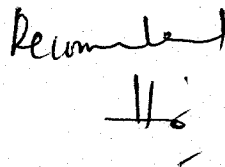

For upcoming semester, it is proposed to reimburse the fee immediately after payment by student of faculty for online exam. This will not only motivate them but also enhance good utilization of TEQIP-III funds as project is going to conclude by March 2021.

It is also proposed to allow faculty and students for unlimited number of courses per semester as till date there is provision of only 2 courses per semester for reimbursement out of TEQIP-III funds.
