

ACTIVITY REPORT ON ALUMNI INTERACTION

Name of the event- Alumni Interaction

Date and Venue of the event- March 20, 2021 at GNDEC Auditorium

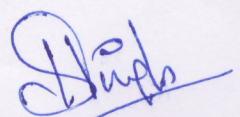

Course Content- TEQIP-III sponsored 'Alumni Interaction' was held on March 20, 2021 in which various agendas regarding the future enhancement of the institute were put forward. The event started with Shabad Gayan. Dr. Sehijpal Singh, Principal, GNDEC welcomed the audience explaining the importance of the alumni of an institute. Adding on in his speech, he told the benefits derived from the TEQIP-III scheme. The institute organized various activities under the flagship of TEQIP-III. Improvement in academics and infrastructure was also a benefit that was derived from this scheme.

Dr. Harwinder Singh, TEQIP-Coordinator then unfolded the agendas that were adopted by both TEQIP-II and TEQIP-III schemes. He also clarified the differences between the two schemes. A detailed description on TEQIP-III was elaborated by him. Dr. Harmeet Singh, Dean, Research and Development explained about the NIRF and NAAC ranking of the institute. To upgrade the NIRF ranking of the institute, a policy is made in which support is provided to research scholars in the form of research funding and seed money. A special publication award is also given to faculty for their publication in top journals. Mr. Inderpal Singh, Director, Nankana Sahib Education Trust, discussed about how the publications help to grow a particular institute and how the alumni of a particular institute can help the institute in this. Principal, GNDEC launched the 'GNDEC Alumni Social Networking App' which will help genconians to stay connected at a local platform. Many eminent personalities like Dr. RP Singh, Dr. SB Singh and Dr. Buta Singh Sidhu, VC MRSPTU, were honoured by the principal and authorities. A distinguished alumnus, Dr. Buta Singh Sidhu, in his speech, told how alumni can help to provide ethical values to present generation. The students who glorified the institute on various national platforms were honoured by chief guest. Afterwards, the platform was kept open for alumni to express their views. Mr. Rajinder Singh Tanda, alumnus of 1992-1996 batch told how his batch has always remained helpful in providing help to the institution. Being alumni of the institute, Mr. Lalit Sharma, Harcharan Singh Bedi, Arvinder Singh and many others presented their views about the institute.

At the end of the event, Dr. Arvind Dhingra presented vote of thanks to audience.

Expected Benefits Derived-

1. Alumni can interact on newly launched application.
2. Alumni can help the institute in various means by providing guidance and funds to the students of the college.
3. Alumni can help in providing training and placement to the students.
