Hackathon'19 Report

Hackathon'19 was conducted on October 4-5,2019. The event ran for 36 hours non- stop. Twenty one teams including 6 teams from mentee institution Atal Bihari Vajpayee Government Institute of Engineering & Technology, Shimla participated in the event. The event began at 8.00AM on October 4, 2019 in the central computer centre. Elaborate arrangements as regards to food and refreshments for participants were made. 16 faculty members and 8 lab staff were put on duty for smooth conduct of the event. Each team of student had six members. There was one team from first year students of GNDEC also. The teams were given the problem statements before hand i.e. on 28.9.2019 and were free to choose any. The progress of teams was being monitored through github. There were many interspersed energizer exercises for participants. The judgement panel comprised of:

Dr. Manpreet Singh

Dr. Vivek Thapar

Dr. Sumeet Kaur Seehra

Er. Jaskirat Singh, M/s. CRAMAT

Er.Vigasdeep, Ex-student and Software developer

Two prizes and one consolation prize were awarded to the winners.

The Hackathon was held in line with preparing teams for SIH2020. Top five teams shall be allowed to go for SIH2020 to be held later.

The outcome of the event is to short list teams for SIH2020 and inculcate a spirit of problem solving in students.
