

Expert Lecture organized by IPR Cell

IPR Cell of GNDEC organized an expert lecture as one of its initiative towards spreading awareness about various aspects of intellectual property rights on 28-11-2019. Dr. Vanita Khanna, A.P, Department of Law, GNDU Regional Campus Jalandhar shared her expertise on the topic "Fundamentals of Intellectual Property Rights with special reference to procedural safeguards under Indian Patent Law". Nominees from different departments of the college participated in the event and got benefitted from the lecture. Topics like: Patents, Grant of Patents, Copyrights, Designs, Trademarks, Geographical Indications etc. were talked about along with some documented cases. Participants discussed their queries related to the practical aspects of usage of IPR in daily life and were enthusiastic to learn more in this field.
