

GURU NANAK DEV ENGINEERING COLLEGE, LUDHIANA
National Program on Technology Enhanced Learning
(SWAYAM-NPTEL Local Chapter)

Activity Report

The education sector is severely affected due to Pandemic Covid-19 along with all big industries and business. One gap is created between students and teacher, so E-learning is the best suited solution to bridge this gap in current scenario. For this SWAYAM NPTEL Local Chapter, Guru Nanak Dev Engineering College, Ludhiana has organized TEQIP-III sponsored webinar on **"Modes of Teaching and Learning in Lockdown"** on May 11, 2020. More than 500 participants from 18 states of India and abroad registered for the webinar and around 300 people nationally and internationally attended this webinar. Dr. Manpreet Singh Manna (Former Director SWAYAM AICTE, New Delhi and Faculty, SLIET-Longowal) was the resource person for this webinar, who is pioneer in the field of designing online classes. Dr. Manna talked about specific features of various online tools and platforms to interact with students for classes, assignments, labs, examinations and evaluation procedure.

Dr. Manna emphasized that it is duty of every teacher to act as a good mentor for their students to motivate and counsel about their career and future in this pandemic. The educator has a great role in society to aware all with true and authentic information. Dr. Manna explained how online classes can be conducted through various open source online virtual classrooms/meeting/webinar platforms like Go-To Meeting, Cisco Webex, Skype, Readytalk, Microsoft Whiteboard, Google Classroom etc.

Dr. Sehijpal Singh Principal, GNDEC Ludhiana also participated in the webinar and interacted with the participants at last and thanked the expert speaker and participants. Pf. Lakhveer Singh Khana and Pf. Charnjeet Singh were the coordinator and organized the whole webinar with excellent technicalities.
