

## Activity Report

**Name of Event:**Two weeks Industry Orientation Program

**Date & Venue of Event:**01.02.2021 to 12.02.2021 at GNDEC, Ldh.

**Course Content:**Machine Learning, Business Management, Computer Networks, Security, Web Development, Network Security, Computer Hardware, Remote Sensing, GitHub

**Expected Benefits Derived & how it will be helpful to the college:** The orientation was very beneficial and informative for CSE final year students. The program gave an insight of corporate world to students who are going for their six months training in various companies. The experts from industry provided great insights into various real-world technologies. The experts were from PRSC, Nebero Systems, ASG Labs., Connect, SBI. The students were made exposure to work on GitHub by Institute's expert which students found very interesting and useful. The experience of students to meet highly renowned industry specialists was really informative. Many research areas came into picture and this could be beneficial for the students.
