

Report for Virtual Labs Workshop

Virtual Labs, IIT, Roorkee has accorded the status of extended campus partner to GNDEC, Ludhiana. A two days hands on workshop was held at GNDEC, Ludhiana on November 7-8, 2019. The workshop was conducted by following:

1. Mr. Chetan
2. Mr. Amit Kumar Sharma
3. Mr. Jasbir Singh

The workshop was targeted at First year students of EE, ECE, CSE & IT branches. 273 students of these branches attended the workshop in groups. Virtual labs has over 200+ engineering and physical sciences labs on board. Two parallel sessions were held for different groups. The students were made aware of the various experiments related to their branch available on Virtual Labs. Hands on session were conducted to apprise the students of experiments. Combining the real experiments on machine with the virtual labs and comparing the results in both cases was also demonstrated. Students were also introduced to the Virtual Labs library function where in various labs and contributing colleges were introduced. Students were also told as to how they upload an experiment and also how can they get answers to their queries. The workshop was coordinated by Dr. Kanwardeep Singh, HOD(EED) & Dr. Arvind Dhingra, AP(EED).
