

Expert Lecture organized by IPR Cell

( Webinar )

IPR Cell of GNDEC organized a webinar for the faculty of different departments who have been guiding various projects, shortlisted for the college exhibition with a view that those projects can be followed up for next level i.e. patent filing etc. Dr. Anita Gehlot, Associate Professor, LPU, Jalandhar and Dr. Rajesh Singh, Professor, LPU, Jalandhar shared their expertise on the topic "IPR and Patent Filing".

The experts discussed and shared their own registered IPRs and Patents with the participants, motivating them to come forward and follow up their guided projects and other novel ideas so that they can also generate some IPR. Feedback was conducted at the end of the webinar
