

Activity Report on:

Keysight Tech Day 2019 workshop (held at JW Marriott, Chandigarh).

Held on : 25-4-2019

I have participated in the Keysight Tech Day 2019 workshop jointly organized by Keysight Technologies and Agmatel India Pvt. Ltd held on 25.04.2019 at JW Marriott, Chandigarh. In this workshop, fundamentals of measurement techniques and measurement devices were discussed. The demonstration of various measurement devices like DSO, VNA, Signal Generator etc. was also given by them. New Technologies and Solutions in 5G, IOT, EMI, Radio etc. were also discussed. The event has led to enrichment of my knowledge in this field.
