

## Activity report

**Name of the Event:** Three Day Workshop on Exam Reforms

**Date and Venue of the Event:** 9<sup>th</sup> – 11<sup>th</sup> December 2019 at NITTTR Chandigarh

**Course Contents:** Need and Elements of the Outcome based Education (OBE), Course Outcomes with Blooms Taxonomy, Performance Indicators and Program Outcomes, Rubrics etc.

**Expected benefits derived and how it will be helpful to college:** In the era of globalization, relevance of traditional education system is getting degraded day by day. Therefore, more skills need to be imparted to students for efficient working with developing technologies. The educational institutes should produce graduates to cop up with the high demand techniques of industries. Thus to overcome this requirement, this workshop on exam reforms was conducted and it focused on examination reforms and outcome based education model. Most of the concerns shared in this workshop are already implemented in our institute.
