Organized by

Mechanical Engineering Department

NITTTR, Chandigarh

Coordinator

Director

AK
10/8/2020

Summary report

5 day webinar series on **AtmanirbharBharat: Transmutation from Privation to Exuberance** was held at NITTTR Chandigarh from 27-31 July 2020. There were 5 themes of webinar

1. Unlocking \$ 5 trillion Economy
2. Rurbanization
3. Evolving Social Teaching Learning
4. Ushering Vibrant Demography
5. Forecasting and Fostering Demands

Atmanirbhar Bharat (self-reliant India) is the vision of the Prime Minister of India Narendra Modi of making India a self-reliant nation. The first mention of this came in the form of the 'Atmanirbhar Bharata Abhiyan' or 'Self-Reliant India Mission' during the announcement of the coronavirus pandemic related economic package on 12 May 2020. This self-reliant policy does not aim to be protectionist in nature and as the Finance Minister clarified, "self-reliant India does not mean cutting off from rest of the world". The law and IT minister, Ravi Shankar Prasad, said that self-reliance does "not mean isolating away from the world."

During the webinar, experts from Reliance, Himalyan institute, CSIO, IIT Kanpur, and many others from academia/industry in their talks gave an idea how their organization became self reliant during COVID 19. This webinar series may assist in getting grants from various funding agencies under Atam nirbhar bharat abhiyaan which can be useful to the institute.
