Summary: Atmanirbhar Bharat is the vision of the Prime Minister of India Narendra Modi of making India a self-reliant nation. The first mention of this came in the form of the 'Atmanirbhar Bharata Abhiyan' or 'Self-Reliant India Mission' during the announcement of the coronavirus pandemic related economic package on 12th May 2020. This self-reliant policy does not aim to be protectionist in nature and as the Finance Minister clarified, "self-reliant India does not mean cutting off from rest of the world". In this five days webinar series, the following activities were conducted:-

Day 1: Unlocking \$5 Trillion Economy

Day 2: Rurbanisation

Day 3: Evolving Social Teaching Learning

Day 4: Ushering Vibrant Demography

Day 5: Forecasting and Fostering Demands

It was nice learning experience. The applicant will apply these concepts in the real world as well in college activities.
