

Name of Event: Professional Development Training under TEQIP-III

Date and Venue of Event: 20th to 22nd January 2020 at IIM, Tiruchirappalli

Course Content:

Twenty five participants from various parts of the country participated in the program. The program was started with an inauguration by the Director Dr. Bhimaray Metri and Dr. Satish S.M., Programme Director and Chairperson Executive Education and Consulting. After the small inauguration session, Dr. Bhimaray Metri started the session with the topic "Academic Leadership and Management". In his talk he discussed how the right culture in an institute can take it to higher levels. Trust, risk, innovation and programming are the pillars for a good leader. Dr. V. Vijaya talked regarding Counselling and mentoring for students. She strongly recommended counselling our students as they are the most important stake holders and the ambassadors of the institute. In the last session of the first day, Dr. Satish S.M. highlighted the goals to build the institute.

The second day, Dr. Prashant Gupta told about the financial governance and understanding financial health and sustainability. He explained the basics of the Finance and said that a good leader should make profit by organising the finances. Dr. Sankalp Pratap had a talk on "innovation, incubation and entrepreneurship in technical institutes". The last lecture of second day was on Strategy, vision and mission by Dr. K.S. Manikandan.

On the third and final day, Dr. Godwin Tennyson had lectures on Workplace Management: delegation and Team building. The final lecture followed by valedictory was by the Director, Dr. Bhimarya Metri on Stakeholders Management. He highlighted various types of stakeholders and how to manage various types of stakeholders for the benefit of the institute.

Overall the programme was excellent and I thank TEQIP-III cell of GNDEC Ludhiana and Principal GNDEC, Ludhiana for giving me an opportunity to participate in the training program.

Expected Benefits and How it will be helpful for college: The Professional development Training was helpful in making of a good leader and how one can deal with various mentoring and counselling of the students, how to handle the stakeholders and understanding the financial health of the institute. Surely the training will be helpful for the college when dealing with these issues in practice.
