

Activity Report

I attended the Professional Development Training held at Indian Institute of Management, Indore from May 27-31, 2019. There were five sessions in day and total twenty five sessions. Around 34 (thirty four) participants from TEQIP institutes of the country attended this program. The following contents were discussed in this program:- Mission/Vision/Goals of the Technical Institutes, Excellence in Higher Education, Workplace Management, Time and Stress Management, Project Management, Use of ICT, Managing Research/Consulting Projects, Incubation and Sponsorship. Apart from regular classroom teaching, we were exposed to team building concept in the real life scenario. Overall, it was really a nice learning experience during these five days.
