

SUMMARY REPORT

Three days workshop on “**Quality Initiatives in Technical and Higher Educational Institutions**” was held from 27-29 May, 2019 at Engineering Staff College of India (ESCI), Hyderabad.

The focus of the workshop was to highlight various issues regarding compliance with NBA and NAAC Accreditation for various categories of technical institutions. Prof (Dr) Nageswara Gupta M was the lead faculty for the workshop.

First day (27.05.2019) started with the Inaugural session followed by discussions on various topics given below:

- 1) Introduction to quality in higher education (OBE)
- 2) Accreditation at Institutional/Program Levels.
- 3) Defining PEO/PO CO-PO Mapping and CO attainment NBAS-SAR Criteria/Exercises.

During the course of second day (28.05.2019) following topics were discussed:

- 1) Teaching learning methodology: Research/Innovations and best Practices Blooms Taxonomy
- 2) Self Assessment Report (SAR) preparation and related exercises.

On the last day of the workshop (29.05.2019) various guidelines of NAAC and preparation of SSR were discussed. Also, NBA-SAR documentation process including evidence for accreditation during onsite assessment was discussed.

The course was quite useful in the sense that NBA and NAAC accreditations have become need of the hour for technical institutions like ours to uplift their profile.
