

Conference Update as of May 11th, 2021

Dear Authors/Participants/Visitors and Sponsors,

The ISSC 2020 Conference by IIT Hyderabad is postponed as per the Government of India advisory to prevent the spread of Coronavirus (COVID-19). At present, there is still considerable uncertainty about COVID-19. The new dates will be informed to you all as soon as possible. We will give you a minimum of 45 days advance notice for your preparation. For more details, please email [pa.issc2020@iith.ac.in](mailto:pa.issc2020@iith.ac.in).

Like you, we were also very excited to hold this first International Structural Steel Conference in India, but unexpectedly the lockdown was announced 2 days before our conference date. Therefore, the conference remains post postponed. Wait until normalcy (gathering and travel) returns.

Sorry for the inconvenience.
