

## REPORT

I, Gurmukh Singh is working as Driver in Guru Nanak Dev Engineering College, Ludhiana. I was given financial aid from TEQIP-III Cell (GNDEC) to attend ***Driving Training Camp***, which was held w.e.f. 01.12.2020 to 02.12.2020 at Mahoana, District Muktsar. I am really benefitted from this camp as every type of information and training regarding vehicles, road safety guidelines, installation of different types of parts in different vehicles, how to drive vehicles in different seasons etc. were given to me.

The training given to me in this camp is really helpful in my life.
